

COUGAR FIGHT SONG

Throughout the hills of Hampton,
You'll hear a battle cry
Of Cougars cheering loud and strong
We always do or die.

On we march together
Over pastures green
Oh, Cougars rally, strength to us,
Listen to our scream.

Fight, Cougars! Fight! Fight! Fight!
Into the fray we go.

Fight, Cougars! Fight! Fight! Fight!
Marching row by row.

Fight, Cougars! Fight! Fight! Fight!
Hear our voice on high.

Fight, Cougars! Fight! Fight! Fight!

All hail to Kittatinny.
To you we will be true.
And on to Cougar victory
Let's root for Silver and Blue!
