

Welcome to Cougar Country!

Seventh Grade at Kittatinny

Welcome! Seventh grade offers many opportunities—new friends, new teachers, a fresh start at a new school. It is a chance to set personal goals.

The beginning of the seventh grade year is also a time of transition. Extra help and other support will be available. We strongly encourage you to take advantage of these opportunities to help you.

We are looking forward to a great year.

Organization is the key to your seventh grade success. At the start of the year, we will provide each student with a student planner. Students are required to utilize the school-provided student planner; this is an excellent tool for keeping track of assignments and building time management skills. Backpacks will not be carried to class but stored in hall lockers.

Check your schedule to see which team you are a part of before you shop the sales! Please review the list of recommended supplies so you don't purchase unnecessary materials:

For all classes

- An 8 pocket folder for carrying work between school and home (and back again!)
- A collection of pencils and pens (blue or black ink, please)
- Highlighter
- Markers and colored pencils for home use on projects
- A box of tissues for classroom use
