

## Kittatinny Regional High School Activity, Athletic and Parking Fees

Dear Parents:

We are pleased that your child is planning to participate in an interscholastic sport and/or co-curricular activity. We hope that student participation will provide them with a very positive and rewarding experience. **New this year is the ability to pay these fees online through the parent portal.** The athletic and activity fees are paid per family whereas the parking fee is paid on an individual basis.

### User Fee Policy and Procedure for 2016-2017 School Year

#### Athletic Fees

- 1.** All participants in sports will be assessed a **one-time annual fee of \$75.00 for Athletics per family which is due prior to the first day of practice for the appropriate season.** If the athlete participates in a fall sport the athletic fee is due by August 11, if the first sport of the year is a winter sport then the athletic fee is due by November 17. If spring is the first season of participation then the athletic fee is due by March 2.
- 2. Payments are to be made via KRHS website - parent portal - online payments -Family athletic fee.** Please remember that this fee is paid for only one child of your family even if you have multiple children playing sports. Payments by check or money order payable to "Kittatinny Regional High School" are still accepted, however the following Athletic Fee Form must be submitted with payment. Students who are eligible for the Federal Free and Reduced Lunch Program are entitled to a waiver of this fee upon request, in writing, to the Kittatinny Business Office.
- 3.** If a student is not selected for a sport prior to the first scrimmage/game the athletic fee will be refunded if it is the only sport in which the student plans to participate in during the school year and the only member of the family that is participating in sports. In order to obtain a refund the parent must request a refund in writing to the Kittatinny Business Office immediately and allow for at least one month for this refund to be processed.
- 4.** Parents and students should understand that this fee simply entitles the participant to a place in the activity. It **does not** guarantee participation time in games etc. nor does it ensure specific positions on a team. Those decisions will remain with the coaches and advisors. Fees collected in this manner are designed to help partially defray the operational cost of offering the programs.

## **Co-Curricular Activity Fee**

1. All participants in co-curricular activities will be assessed a **one-time annual fee of \$25.00 per family which is due by August 30**. Payment of this one-time annual fee would allow each of your children the opportunity to participate in multiple co-curricular activities offered.
