

## **NCBL: Title1, Part A**

### **Parent Involvement**

Please take the time to read the following documents. The Parent Involvement Policy is a common document used by many schools in compliance with Title 1 regulations. The School and Parent Compact is a compilation of expectations produced in collaboration with school officials, teachers, parents, and other educational stakeholders. These documents help explain the importance of communication and community/parent involvement as it relates to an effective educational institution.
