2005 Governor's School of Excellence

A Recognized School of Excellence

August 2015

Welcome back to the 2015-2016 school year. I am looking forward to beginning a new school year and would like to highlight some information pertaining to our regulations and policies in place for this year.

- **Our student handbook is located on our website.** If you wish to receive a hardcopy of the handbook please contact the main office. **Also, you must complete the student handbook confirmation card and return it to the main office at the beginning of the school year.**
- Cell phone use is prohibited with the exception of before and after school, during the students' assigned lunch period and in the classroom at the discretion of the teacher. In the event of an emergency, students may use the telephone in the Main Office.
- Students are not to bring IPODS, MP3 players etc. to school. **The administration will not investigate the loss or theft of these devices.**
- The administration accepts the responsibility for making all decisions related to acceptable dress. Students must wear apparel which is appropriate to the function of the school and maintenance of reasonable standards of cleanliness and decency.
- A student is considered truant if he/she is out of school for an unauthorized reason or if the child's parent or legal guardian is unaware of the student's absence. Disciplinary action will be taken against students whose truancy is persistent.

General information regarding our procedures and discipline codes can be found in our student handbook on our website. Please familiarize yourself with this information prior to the start of the new school year. I look forward to working with you and I am anticipating a successful and productive school year.

If you have any questions, please call me at (973) 383-1800, ext. 1130.

Sincerely,

Brian Bosworth

Principal

Kittatinny Regional Board of Education
