

Holiday Semi-Formal Luncheon

On December 14, the SWAP and the Best Buds programs met at the Lafayette House for the annual semi-formal holiday luncheon. The students have the chance to socialize and dance in this festive setting. In between, they sit down and enjoy a meal together. The buffet is filled with all sorts of delicious foods. No one goes home hungry. Teachers, paraprofessionals, and students look forward to this luncheon every year.

What an awesome way to end 2018. Let's hope that 2019 is a great year for all.
