

Annual Blanket Donations

Each year, Mr. Joyce collects blankets to donate to shelters. This year, the members of the InterAct club donated their time and talents to make blankets to contribute to this special cause. Homemade gifts are treasured, unique items which can never be replaced. The child that receives this blanket will surely feel wrapped in the warmth of love.

Per Mr. Joyce, sixty-three blankets were collected this year. One-third of the blankets were given to Manna House in Newton and the rest were directly distributed to those in need.

Thank you to everyone who donated a blanket. Your generosity is appreciated.
