

## SWAP Celebrates Chinese New Year 2019

To welcome the Year of the Pig, the students from the Sussex Warren Activity Program or SWAP met at Chun Bo Restaurant in Newton. The students came from High Point, Kittatinny, Lenape, Newton, and Vernon Schools to celebrate the Chinese New Year and cultivate their social skills.

The room was abuzz with students getting to know their counterparts better. In between the conversation, everyone enjoyed real Chinese cuisine for lunch. This event just goes to prove people can interact without using a phone! 😊

Thank you to the drivers, best buds, paraprofessionals, and teachers who help make this luncheon so successful. This is a wonderful experience for all who attend.
