

GROUPING

Whenever pupil enrollment and the curriculum permit, pupils will be placed at appropriate levels for instruction so that they may be provided learning programs more in keeping with their individual abilities and achievements.

The group to which a pupil is assigned for instruction in any subject shall be based on his/her specific achievement testing and teacher recommendation. His/her placement at a particular level for each course shall be reviewed by his/her guidance counselor with final responsibility for placement resting with the school superintendent.
