

Concepts and Roles in Administration; Goals and Objectives

The Board of Education (Board) shall establish policies that govern all aspects of district operations. The Board expects the educational administration to direct, coordinate and supervise pupils and staff in their efforts to reach goals and objectives adopted by the Board. The administrative staff of the district shall be organized as a unit control system. The superintendent shall report directly to the board; the board secretary shall report directly to the board on all functions assigned by law and to the superintendent on all other functions. The superintendent shall specify actions and detailed arrangements under which the district shall be operated.

Within the guidelines of Board policy, negotiated agreements and New Jersey law, the Board expects the educational administration to:

- A. Provide up-to-date information and sound professional advice to the Board, as an aid in informed decision making;
- B. Plan, organize, implement and evaluate the educational programs established by Board policy, in order to provide optimum educational opportunities to the pupils of the district;
- C. Provide these optimum educational opportunities at the lowest possible cost;
- D. Use efficient administrative and management procedures including supervision and evaluation of teaching staff, pursuant to law and regulations, and developed after consultation with and among the Board, administrators and appropriate staff members;
- E. Coordinate the resources of the community with those of the district;
- F. Keep the Board informed of all new legislative actions or changes in code and statute that affect the policies, programs or operations of the district.
