Congratulations to the Kittatinny Regional High School 2018 Hall of Fame Inductees. This year two coaches and six athletes were recognized during half-time at Saturday's football game. During the presentation each inductee received a plaque and attended a luncheon in their honor.

These Cougars often played two or more sports while in high school:

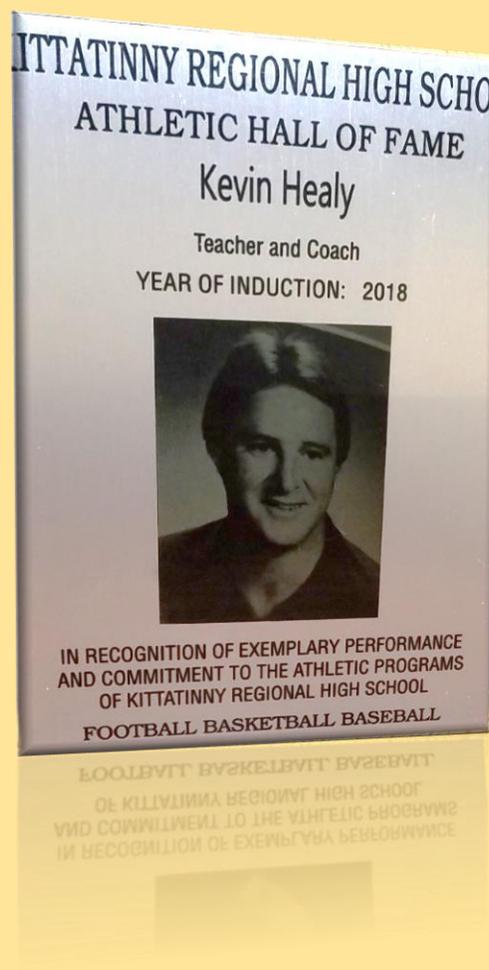

- Allison Blanton participated in basketball, field hockey and soccer.
- Alison Cummins Gely played basketball, soccer, and softball.
- Adam Gross took part in in soccer and track.
- Jason Mafaro was in football, track, and wrestling.
- Laura Morrow White competed in basketball, field hockey, karate, soccer, softball, and track.
- Matthew Valenti participated in soccer and wrestling.

Each student continued in sports during their college years and most are still involved with sports in their current career or just for enjoyment.

As for our coaches, Scott Mein coached the KRHS junior high track teams from 1993-2005. Under his leadership, the boys track team captured the Sussex County Interscholastic League Championships and State Sectional Group 2 Championships in 1985, 1986, and 1987. The girls won six Sussex County Championships in 1996, 1997, 1998, 1999, 2001, and 2003. In his 12 years of coaching, both teams always finished in the top three places in the Sussex County Junior High Track Championships.

Kevin Healy began as an assistant coach and later also coached the KRHS junior high basketball team for 17 years. He was a Physical Education teacher who received teacher of the year in 2007. Throughout his twenty-nine years at Kittatinny, he coached a total of fifty-five seasons.

On the wall in hallway D outside the gym is a display case that holds the KRHS copy of each plaque. It is a special place to pay tribute to our coaches and athletes who gave their all for our athletic program during their time at Kittatinny. Here is just one of the plaques.

A very special thank you to our generous sponsors who made this event possible:
