

9/11 A Day of Service

9/11/2001 was a day of great sadness which inspired the KRHS students to perform various acts of service in remembrance of those lost that fateful day. 9/11/2017, the students choose a project or collected items for various charitable organizations.

Students are staining wood to make benches and planters for the KRHS campus. In the back, they are assembling tables for everyone to enjoy their lunch outside on a nice day.

Many people donated school supplies to help out the students impacted by Hurricane Harvey. The volunteers stuffed backpacks with notebooks, pencils, pens, calculators, etc. These backpacks will surely put a smile on the recipients face.

Here are flags made by Mrs. Anderson's art class which were hung in various hallways throughout the school. "United We Stand" reminds us, we are stronger together.

Chalk drawings with sayings and flags decorated our sidewalks. Here is a nice shout out to our men and women who proudly serve in the United States military.

Here are some items collected for the Wild Baby Rescue. Mrs. Kolonoski said the rescue was thrilled to receive the donations. They said it was "like Christmas."

Mrs. Gely's class choose to help spruce up the KRHS campus. Thank you to students for all the work you put into this project.

Mrs. Gialanella's class worked on anti-bullying posters to remind us all that we are in this together. The quote goes "silence is the voice of complicity." Thank you for reminding us things can not change unless we have the courage to speak up.

Here are some additional good deeds our students participated in:

- Collecting food for local food shelters
- Collecting food and money for local animal shelters
- Collecting items for the Avian Wildlife Center
- Collecting money for the Antler Ridge Wildlife Sanctuary
- Writing letters to soldiers
- Made soles for shoes out of jeans
- Peace Chain which highlights people who strive for peace
- Creating a mural based on the heroes of the Declaration of Independence
- Homemade dog treats for B.A.R.K.S. rescue
- Creating artwork for sale at the Christmas craft festival to raise money for Manna House

Thank to everyone who donated supplies or their time. None of this would be possible without the Cougar community lending hand.
