

Arin Goriscak is Tenacious

The FBLA National Personal Finance Challenge finals has now concluded and Arin has placed 11th in the nation. She competed against thousands of students throughout the United States through the 2019-2020 school year. She successfully moved forward through each level of competition on her way to the finals. Last week at the virtual FBLA National Leadership Conference, she competed for a total of 1,246 minutes (20 hours) to accomplish this goal. This is the first time a student from KRHS has placed on a state and national level in this competition.

Most of FBLA's competitions occur during school hours, requiring students to miss class. Mrs. Iliff would like to thank the entire faculty for giving the FBLA students the opportunity to compete. They say it takes a village to raise a child, but it takes a whole education system to help them succeed!

Thank you Arin for displaying that Cougar tenacity to the nation.
