

FBLA: Job Shadowing Day

written by Samantha Ferrante

On Wednesday, February 27, 2019, I was given the opportunity through Future Business Leaders of America to shadow a Kittatinny teacher. I spent the day alongside my tenth grade geometry teacher, Mrs. Chamberlin. Throughout the day I was able to get a hint of what being an educator is like, and I became familiar with the daily routine of teaching each class. I found it interesting to see the “behind the scenes” of a high school teacher, an opportunity most students do not get to see or understand. FBLA promotes amazing opportunities that I am extremely grateful for. Thank you Mrs. Chamberlin for being so kind and providing an insight of what your career is like!
