

Food for Thought

The KRHS Junior High School student council volunteered their time to learn about and assist the food pantry operated by the division of social services. Every year, Kittatinny participates in several food drive campaigns. The students went to learn:

- How the food pantry collects, sorts and distributes the food?
- How the food bank supports local families?
- Why our KRHS annual contributions are vital to these organizations?

Two very distinguished people made the following statements:

"The best way to find yourself is to lose yourself in the service of others."

Mahatma Gandhi

"Life's most persistent and urgent question is, What are you doing for others?"

Martin Luther King, Jr.

There is an incredible joy you feel when we lend a hand and help one other. So many people have recently donated to charitable causes in the wake of natural and manmade disasters. These students

remind us there is so much more that still needs to be done. Even when we may not have the extra cash to share, we can always find a way to give a little of our time to someone in need.

Thank you to all the Junior High student council members for all your charitable contributions throughout the year.
