

## Kittatinny Students Appreciate Their Teachers

Every year, the Kittatinny football team selects a faculty member or administrator who they admire to wear their jersey. Here is the 2018 picture of the KRHS football team with the people they hold in high regard.

Robert Bruce selected Mr. Bosworth to wear his jersey.

All teachers are also invited to the football game under the lights where they are treated to food and special seating under a tent.

Here are some pictures of our teachers enjoying the game, the food and having a moment to enjoy one another's company.
