Friday, November 24th is a day known for its great sales and the start of the holiday shopping season. For the KRHS Boys Basketball team, it meant a chance to lend a helping hand at Manna House in Newton.

They set up the tables and chairs and then went to the kitchen to help with the meal.

The meal for the day was cheeseburgers, fruit salad, green salad, and a turkey-vegetable soup. The boys participated in all the meal preparations.

After filling the trays of food, the boys gave forty people a hot cooked meal. When everyone was done eating, the team put away the tables and chairs and helped clean up. What better way to start the holiday season than by being of service to others.

Manna House is a terrific organization funded by the community's generosity. Whether you donate time, food and supplies, or come to one of their special dinner nights, there are lots of ways to support their mission.

Thanks Cougars for reminding us about the true spirit of giving.
