

KRHS Starts to Show Signs of Life Again

When the school year ends, the students and teachers leave and the halls of KRHS seem eerily quiet. There are no bells ringing, no individuals moving about the halls, and even the phones don't seem to be as busy.

Then slowly, we start to see a little bit of life coming back to the school. The band begins practicing. They even held a very successful clothing drive. The donations totaled 276 bags of clothing to be given to individuals who will appreciate a new ensemble.

The KRHS Cougars football team has also begun their practice to prepare for 2017-2018 football season. Saturday, September 9 at 1:00 pm is the season home opener. Please mark it on your calendar. KRHS loves to host a large gathering of fans to cheer the team to victory!

Though administration and staff know not everyone is a fan of the end of summer, we look forward to an exciting new school year. Who knows what wondrous events will happen this year. We look forward to the adventure that lies ahead. May 2017-2018 be a great year for all.
