

Operation Gratitude

Left to right: Alexa Zupky, Lexi Toriello, Geneva Loff, Sarah Marchioni, Nicole Vassallo, Jordyn Rodriguez, Kelsey Burke, Caitlin Carbone, and Ashley Espinosa

The Interact Club is making Paracord Survival Bracelets for Operation Gratitude. This organization distributes care packages to the troops to say thank you for your service. Each care package contains a bracelet. The bracelet gives the servicemen and women 7.5 feet of paracord which holds up to 550 pounds to use in an emergency. Whether to haul heavy objects, create a sling, or make a shelter, this emergency cord could save someone's life.

The Interact Club led by Ms. Kaminskyj assists charitable organizations throughout the entire school year. This is just one act of kindness they are participating in this year. If you would like to become a member, please see Mrs. Kaminskyj in room B37.

If you would like to learn more about ways you can assist Operation Gratitude with sending care packages to deployed troops, veterans, wounded servicemen and women, first responders and military children click on this link: <https://opgrat.wordpress.com>.

Once again, thank you Interact Club for making us aware of a very special cause.
