

KRHS Juniors vs. Seniors Annual Powder Puff Football Game

The KRHS Junior and Senior girls faced off in the annual Powder Puff Football Game held on November 15 at our very own Romer Field. With Mr. Gely and Mr. Anderson as referees, fans in the bleachers, and Mr. Meyer up in the stand, the girls were ready to compete for bragging rights and the title as 2017 Powder Puff Champions.

Both teams, coached by Varsity Football members, had two practices prior to the actual football game where they came up with a game plan and learned plays. After these two practices, the two teams were pumped up and ready to face each other the following day.

The seniors showed up to play, scoring a touchdown off of the first play of the game. Senior Francesca Perrotti scored off of a 55 yard run and the seniors added to the lead by scoring on the two-point conversion. A solid defensive effort by the seniors held the juniors scoreless. Senior Makenna Conklin scored off of a trick play by the seniors with a 30 yard run toward the end of the first half to make the score 14-0 seniors.

The juniors fought hard, scoring halfway through the second quarter with a big run by quarterback Madison Smith. Although the juniors cut the seniors' lead down, both teams were unable to score again, ultimately leading to a win for the senior team.

With this win, the senior class of 2018 is the first class in KRHS history to win back-to-back Powder Puff Football Games, after winning the game last year with score of 6-0. With the help of great coaches on both sides of the field, both the senior and junior girls walked off the field with memories they will certainly never forget.
