

Rochester Institute of Technology Scholarships

From left to right:

Mr. McNicholas
Susanna Hontz
Lena Schumacher
Matt Turner
Rocco Perrotti
Mr. Bosworth

Lena and Matt received the Computing Medal Award and Susanna and Rocco received the Innovation and Creativity Award from Rochester Institute of Technology. Each award comes with a scholarship to the technology school should the recipient choose to attend RIT.

Those selected are:

- in the top ten percent of their junior class
- active in their school and/or community
- excellent students
- interested in computing
- interested in innovation, creativity, or entrepreneurship

Congratulations to our four Kittatinny juniors on being selected for this prestigious award and scholarship opportunity.
