

School Spirit Abounds at KRHS

Some went the extra mile to show their team spirit by donning face paint in KRHS colors.

The KRHS band set the mood with some upbeat tunes to get the crowd ready.

They held a dance off. Here are three students willing to have fun and show their school spirit!

They came in droves on September 8, 2017 to hold a KRHS Pep Rally which signals the start of a new school year and the beginning of the football season. Everyone looks forward to this special event of friendly competition between the various grade levels.

The cheerleaders got the students cheering: "Give me a C...O...U...G...A...R...S What's it spell? COUGARS!"

Then a race between the High School classes began. Every sport had a representative in each grade level. Each student had to perform a different skill in a relay race to the finish. It was a great race, but in the end the seniors won. Next, it was the Junior High's turn to battle it out. The eighth grade was triumphant in that race.

In the end, it was a beautiful day and tons of fun! What an awesome way showcase that Cougar spirit and kick off the new school year with fun memories.

Many thanks to all the teachers for coordinating the event and too all the students who joined in to make this a special day for everyone.

Yeah Cougars!
