

## What's Your Anti-Drug?

### From Left to Right:

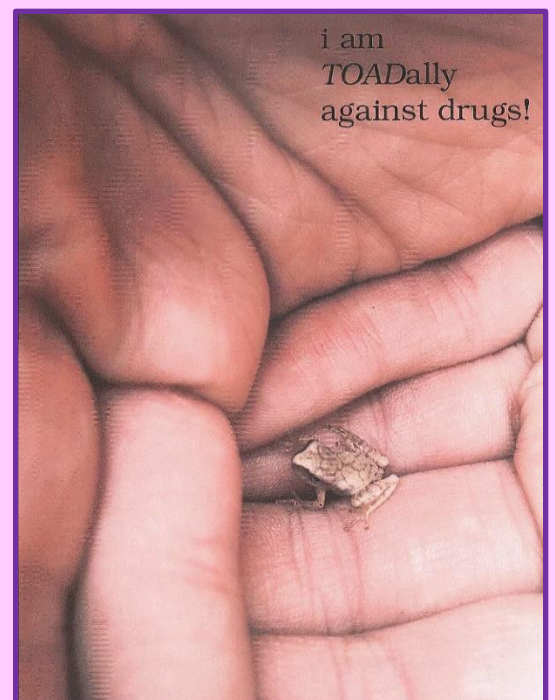

Taylor Van Gorden, Jada Guido, Maddie Haug, Ava Levin, and Anastasia Rabidis

If you pass these students in the hallway, please make sure to say, "Congratulations!" The five KRHS students submitted their posters showing their "Anti-Drug" and were selected from over 600 entries. Twenty-six schools in Sussex County participated in the event. Their work will be featured in the New Jersey Herald on November 6.
