

**Kittatinny Regional High School Activity, Athletic and Parking Fees
2021 - 2022**

We are pleased that your child is planning to participate in an interscholastic sport and/or co-curricular activity. We hope that student participation will provide them with a very positive and rewarding experience. The athletic and activity fees are paid per family whereas the parking fee is paid on an individual basis.

1. Fees are a **one-time annual fee of \$75.00 for Athletics per family and a one-time annual fee of \$25.00 for Co-Curricular Activities per family which are due prior to starting the activity or sport.**
2. **Parking fees are a one-time annual fee of \$50.00 due as soon as a student parks on campus.** The parking fee reduces to \$25.00 on February 1st and again on May 1st to \$15.00. A parking pass will be issued upon payment.
3. **Payments are to be made via KRHS website - parent portal - online payments -Family athletic fee or Activity fee or Individual parking fee.** Please remember that Athletic and Activity fees are paid for only one child of your family even if you have multiple children playing sports or involved in activities. **Payments by check or money order payable to "Kittatinny Regional High School" are still accepted,** however the following Fee Form must be submitted with payment. Students who are eligible for the Federal Free and Reduced Lunch Program are entitled to a waiver of this fee upon request, in writing, to the Kittatinny Business Office.
4. If payment has not been made by the end of the activity and or sport then access to the Parent/Student Portal will be denied until payment is made.

All fees for clubs, athletics, and co-curricular activities and parking are non-refundable.* Any participant who chooses to stop parking on campus, leaves a club, activity or team voluntarily or who is dropped for disciplinary or scholastic deficiencies, is not eligible for a refund.

Parents and students should understand that this fee simply entitles the participant to a place in the activity. It **does not** guarantee participation time in games etc. nor does it ensure specific positions on a team. Those decisions will remain with the coaches and advisors. Fees collected in this manner are designed to help partially defray the operational cost of offering the programs.

*If a student is not selected for a sport prior to the first scrimmage/game the athletic fee may be refunded if it is the only sport in which the student plans to participate in during the school year and the only member of the family that is participating in sports. In order to obtain a refund the parent must request a refund in writing to the Kittatinny Business Office immediately and allow for at least one month for this refund to be processed.
