## **SPORTS**

The Kittatinny Girls and Boys Cross Country Teams did our school proud this past Saturday with some outstanding performances at the highly competitive Roxbury Invitational. Earning medals for the Cougars were Molly Riva, Iris Wikander, and Joe Holdt. Most of the Cougars ran their personal bests for the 5k distance with Alex Hernandez leading the way by dropping close to 8 minutes from his previous best. Great job Kittatinny Cross Country.

In football news, your Cougars defeated the High Point Wildcats by a score of 33 to 0 on Friday night! Michael Cerbo rushed for one touchdown and threw for another. Ryan Connelly scored an impressive 3 touchdowns. The entire defense did an awesome job and was led by David Michelman as well as Chris Casale who had two sacks and a fumble recovery which he retrieved for a touchdown. Come out and join us this Friday night as we take on Hackettstown at home under the lights!

Congratulations to the girls' soccer team who came home with a huge win over Blair Saturday night! Arin Goriscak was a beast in the box connecting for two header goals off of beautiful corner kicks by Julia Cuchiarra. It was a strong showing by the team with Lola Brand and Abby Marra controlling the middle of the field. The back line led by Beyer and Merrill - was not messing around and held it down for the shutout along with a stellar performance from goalie Brooke Ginsberg! Thanks to our amazing student cheering section for having our backs! Come see us at home at 4pm today!
