

**SUMMER SCHOOL**

---

The Board of Education (Board) may conduct a summer program of remedial work, make-up and/or enrichment for students in grades 7-12. The Board may require tuition fees for some or all summer school offerings. Annually, the Board shall establish the fees for resident and non-resident summer school students. The summer session must be approved by the County Superintendent and may include:

The summer program shall be under the administration of the superintendent and may be designed to provide pupils an opportunity to:

Improve a poor grade;

Make up a failed course;

Enrich their scholastic program;

Explore new academic areas; or

Maintain/improve already achieved levels of proficiency.

The Board shall approve each course of study/program to be offered in the summer school program.

Eligibility

Pupils eligible for the summer school of this district shall include:

Resident pupils who are eligible for regular attendance in the public Schools of this district;

Pupils eligible by standards established by the governmental funding source. This includes an elementary summer school program under Title I;

Nonresident pupils when space is available on a tuition basis whose age or grade level is appropriate to the course of study applied for provided that the attendance of such pupils will not preclude the attendance of resident pupils.

The Board does not accept for any pupils the responsibility for transportation to and from summer school.

Implementation

The Board authorizes the superintendent or his or her designee to develop procedures for the operation of the summer school program. The procedures may include:

Criteria for pupil eligibility to participate in summer school courses and programs;

Determining how credit/grades shall be awarded upon completion of a summer school course/program;

Establishing equivalency hours for comparable study time;

Planning the summer school program and curriculum;

Selection of staff;

Pupil and staff assignments;

Evaluation and reporting on pupil progress;

Utilization of facilities.

Regulations for the operation of the summer school shall be consistent with Board policies, and the operation of summer school shall not conflict in any way with the administration of the regular school sessions.

All policies and regulations in force during the regular school year are applicable to the summer school program.

The Board will accept makeup credits from summer schools in other districts only if the appropriate administrator gives prior approval and the courses in another approved summer school programs meet the requirements for credit established by Kittatinny Regional School District policies. Parents/guardians shall bear all expenses of in-district fees and are responsible for all out-of-district summer makeup work.
